- Soothes anxious feelings*

Black Pepper

Piper nigrum 5 mL

Part Number: 41040001

Wholesale: \$22.00

Retail: \$29.33

PV: 22

PRODUCT DESCRIPTION

Black Pepper is best known as a common cooking spice that enhances the flavor of foods, but its internal and topical benefits are equally noteworthy. This essential oil is high in monoterpenes and sesquiterpenes, known for their antioxidant activity* and ability to help ward off environmental and seasonal threats. Black Pepper promotes healthy circulation,* but should be used with caution when applied topically due to its strong warming sensation. It can also help with the digestion of foods, making it an ideal oil to cook with and enjoy both for its flavor and internal benefits.*

USES

- Create a warming, soothing massage by combining one to two drops with a carrier oil.
- Diffuse or inhale directly to soothe anxious feelings.
- Take one to two drops in veggie caps daily to support healthy cellular function.*
- Add to meats, soups, entrees, and salads to enhance food flavor and aid digestion.*

DIRECTIONS FOR USE

Diffusion: Use three to four drops in the diffuser of choice.

Internal use: Dilute one drop in 4 fl. oz. of liquid.

Topical use: Apply one to two drops to desired area. Dilute with a carrier oil to minimize any skin sensitivity. See additional precautions below.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
