- Natural cleansing properties

Clementine

Citrus clementina 5 mL

Available in:

October 200PV Promotion

PRODUCT DESCRIPTION

Clementine, a natural hybrid of mandarin and sweet orange, produces an essential oil that is abundant in limonene and has an array of benefits with a sweet, fresh aroma. Beneficial to overall wellness, Clementine essential oil has versatile application methods and can be used in many different situations. Clementine may boost metabolic function. It has also been shown to promote a healthy immune response to support gastrointestinal health.* When needed, take one to two drops of Clementine essential oil to help relieve occasional heartburn and indigestion.* Sweeter and more zesty than other citrus oils, diffuse Clementine throughout your home when in need of a fresh, uplifting experience and to help cleanse the air of unwanted smells. Having both aromatic and internal benefits, Clementine may help reduce feelings of anxiousness* and lift your mood. Suitable for daily use, elevate your wellness rituals by adding Clementine into your routine.

USES

- Add a drop or two of Clementine to your drinking water for enhanced flavor and to help improve metabolic function.*
- Diffuse throughout your home to create a light and refreshing atmosphere while cleansing the air.
- Add one drop to your facial cleanser or shampoo to boost cleansing.
- Incorporate into your home cleaning routine by adding three to four drops of Clementine into your surface cleaners to enhance cleaning power.

DIRECTIONS FOR USE

Diffusion: Use three to four drops in the diffuser of choice.

Internal use: Dilute one drop in 4 fl. oz. of liquid.

Topical use: Apply one to two drops to desired area. Dilute with carrier oil to minimize any skin sensitivity. See additional precautions below.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas. Avoid UV rays for 12 hours after applying product.
