Cypress

Cupressus Essential Oil 15 mL

PRODUCT DESCRIPTION
Native to Southern Europe and Western Asia, Cypress essential oil is derived from tall evergreen trees. Cypress has a fresh, clean aroma that’s energizing and refreshing. Cypress is frequently used in spas and by massage therapists. Cypress contains monoterpenes, making it beneficial for oily skin conditions. One of the main chemical compounds and monoterpenes in Cypress, α-pinene, helps to reduce the appearance of blemishes. The monoterpenes in Cypress are beneficial for oily skin and overall skin health. It also has a grounding effect, making it a popular oil to diffuse during times of transition or loss.

USES
- Apply to feet and legs prior to a long run.
- Diffuse with Lime essential oil for an invigorating scent.
- Mix together Cypress and Grapefruit essential oil with carrier oil for an invigorating massage.
- Add one to two drops to toner to help improve the appearance of oily skin.

DIRECTIONS FOR USE
Diffusion: Use three to four drops in the diffuser of choice.
Topical use: Apply one to two drops to desired area. Dilute with a carrier oil to minimize any skin sensitivity. See additional precautions below.

CAUTIONS
Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor’s care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
