**PRODUCT DESCRIPTION**
Renowned as one of the most prized and precious essential oils, Frankincense has extraordinary health benefits.* In addition to its notoriety in the New Testament, the Babylonians and Assyrians would burn Frankincense in religious ceremonies and the ancient Egyptians used Frankincense resin for everything from perfume to salves for soothing skin. This centuries-old knowledge contributes to the modern uses of Frankincense today. Its soothing and beautifying properties are used to rejuvenate skin and help reduce the appearance of imperfections when applied topically.
