Oregano
*Origanum vulgare* 15 mL

**PRODUCT DESCRIPTION**

Oregano is one of the most potent and powerful essential oils and has been used for centuries in traditional practices. The primary chemical components of Oregano is carvacrol, a phenol that possesses antioxidant properties when ingested. Due to its high phenol content, caution should be taken when inhaling or diffusing Oregano; only one to two drops is needed. Additionally, Oregano should be diluted with a carrier oil when applied to the skin. One drop taken internally each day can help maintain healthy immune function; Oregano can be taken more frequently as needed to further support the immune system.* In addition to being a popular cooking spice, Oregano also supports healthy digestion and respiratory function when taken internally.* Oregano’s aroma acts as an enhancer and equalizer in essential oil blends.

**USES**

- Take one drop in a veggie cap or 4 fl. oz. of liquid daily to maintain healthy immune function.*
- Add one to two drops to a veggie capsule to support healthy respiratory function.*
- Put one drop in place of dried oregano in spaghetti sauce, pizza sauce, or on a roast.
- Put 10 drops in a 16-ounce spray bottle with water for a surface cleaner.

**DIRECTIONS FOR USE**

**Diffusion:** Use three to four drops in the diffuser of choice.

**Internal use:** Dilute one drop in 4 fl. oz. of liquid.

**Topical use:** Dilute one to two drops with a carrier oil then apply to desired area. See additional precautions below.

**CAUTIONS**

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor’s care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
