1.7 fl. oz./50 mL each

Part Number: 37340001

Wholesale: \$60.00

Retail: \$80.00

PV: 60

## PRODUCT DESCRIPTION

Enjoy a spa-like facial treatment in the comfort of your home with the Reveal Facial System—a carefully formulated, two-step process that gives your skin an amazing, youthful glow.

## DIRECTIONS FOR USE

- Use once or twice a week, or as needed, morning or night.
- After washing face thoroughly with a dōTERRA cleanser, apply a thin layer of Step 1: Refining Polish on damp, freshly cleaned skin.
- Massage gently in upward circular motions for 1 to 2 minutes. Do not wash off until Step 2 is complete.
- Place a thin layer of Step 2: Peptide Activator on the skin over Refining Polish. Continue to massage for an additional 1 to 2 minutes. This step may cause slight foaming and a warm, tingling sensation.
- Rinse off with warm water or a damp towel.
- Proceed with your regular facial routine of toner, serum, and moisturizer. For best results, use in conjunction with dōTERRA Essential Skin Care products.

## CAUTIONS

If skin irritation occurs, discontinue use. Avoid eye area.

## INGREDIENTS:

STEP 1: Refining Polish Ingredients: Aqua (Water), Kaolin, *Bambusa arundinacea* (Bamboo) Stem Extract, Sodium Bicarbonate, Bentonite, Butylene Glycol, Glycerin, PEG-8, Cetearyl Alcohol, Hydrogenated Didecene, Polyglyceryl-2 Stearate, Caprylic/Capric Triglyceride, Cetearyl Dimethicone, C12-15 Alkyl Benzoate, Lactobacillus/Pumpkin Fruit Ferment Filtrate, *Citrus aurantifolia* (Lime) Oil, *Citrus sinensis* (Wild Orange) Peel Oil Expressed, Palmitoyl Hexapeptide-12, Tribehenin, Stearalkonium Hectorite, Tocopheryl Acetate, Caprylyl Glycol, Propylene Carbonate, Hexylene Glycol, Tetrahexyldecyl Ascorbate, Tetrasodium Glutamate Diacetate, Cetearyl Phosphate, Ceramide 2, PEG-10 Phytosterol, Ethylhexylglycerin, Leuconostoc/Radish Root Ferment Filtrate, Phenoxyethanol
