## PRODUCT DESCRIPTION

Hawaiian Sandalwood essential oil delivers a variety of benefits, including smoothing skin. With thousands of years of documented use, this oil has a high value to many users. Hawaiian Sandalwood has a rich, sweet, woody aroma, making it a perfect oil to incorporate into massage or aromatherapy. Hawaiian Sandalwood is very soothing and beneficial to the skin, making it highly sought after in body and skin care products. Research suggests Hawaiian Sandalwood helps with the appearance of skin imperfections. In addition to being soothing and beneficial to the skin, Hawaiian Sandalwood provides these same effects to the atmosphere of a room, creating a positive environment for meditation or personal interaction.

## USES

- Diffuse or apply to the neck and shoulders at bedtime to prepare for a restful night's sleep.
- Mix one to two drops in moisturizer or night cream for smooth, glowing skin.
- Add one to two drops to a hot bath to promote relaxation.

## DIRECTIONS FOR USE

**Aromatic use:** Use three to four drops in the diffuser of choice.

**Internal use:** Dilute one drop in 4 fluid ounces of liquid.

**Topical use:** Apply one to two drops to desired area. Dilute with a carrier oil to minimize any skin sensitivity. See additional precautions below.

## CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
