DESCRIPTION

Yarrow | Pom is an expertly crafted proprietary blend of Yarrow essential oil and cold-pressed Pomegranate seed oil designed to be your go-to for a true inside-out approach to aging, vitality, overall wellness, and, quite frankly, how to get that glow. This synergistic and first-of-its-kind blend naturally up-regulates the body's protective transcription factors while activating skin-protecting proteins (inhibiting the enzymes that breakdown elasticity and collagen) with the added benefit of promoting collagen production.* Additionally, this active botanical powerhouse can be applied topically to revitalize aging skin and taken internally to support a healthy inflammatory response at the source and promotes healthy metabolic function.* With main chemical components punicic acid (an omega 5), antioxidants, β -caryophyllene, and chamazulene, this vegan-friendly active botanical duo supports cellular, immune, and nervous system function and rejuvenation when taken internally.*

USES

- Consume one to two drops morning and night to promote a healthy metabolism.*
- To promote a healthy immune response, take one to two drops of Yarrow | Pom daily.*
