

dōTERRA® Essential Skin Care Pore Reducing Toner

dōTERRA®
Product Information Page

Description

Formulated to visibly diminish the appearance of pores, dōTERRA Pore Reducing Toner contains CPTG® Lavender, Ylang Ylang, and German Chamomile essential oils. Calming to sensitive skin, the toner also includes fruit and plant extracts which may help to increase hydration, visibly reduce the look of oily skin, while supporting a healthy-looking complexion.

Directions

After cleansing, lightly apply to face and neck using cotton pad.

Cautions

For external use only. Avoid direct contact with eyes. If skin irritation occurs, discontinue use.
