

# dōTERRA Nutrition Fiber

Dietary Supplement

dōTERRA®

Product Information Page

## dōTERRA Nutrition | Fiber

Dietary Supplement

30 Servings

60225134

## Primary Benefits

- + High source of fiber
- + Contains high-potency vitamin C
- + Helps maintain a healthy microbiome\*
- + Promotes healthy digestive function\*
- + May support cardiovascular health\*
- + May provide support for the immune system\*
- + May help support metabolic processes\*
- + May help with weight management goals\*

## Description

Highly-processed foods and diets low in carbohydrates can wreak havoc on our fiber intake. According to the American Journal of Lifestyle Medicine, even with a healthy diet, most people only get half the amount of fiber they need. The FDA recommends 25–38 grams of dietary fiber every day depending on age, weight, and gender.

dōTERRA Fiber is a convenient and delicious way to supplement your fiber intake. One serving of dōTERRA Fiber provides six grams of soluble and insoluble fiber, CPTG® Lemon essential oil, natural vitamin C, and a unique prebiotic blend. dōTERRA Fiber is sourced from whole food sources like apple, tapioca, and flax seed to support a healthy and regular digestive system, control appetite, and support the metabolic process. Fiber is a macronutrient that supports many different health functions within the body including the digestive, the cardiovascular, and the immune systems.\*

The importance of a healthy gut microbiome and its relation to the immune system has recently become an area of scientific studies. Research indicates much of the immune system can be found in the GI tract. The addition of the special prebiotic blend in dōTERRA Fiber provides food for probiotics in the gut to support a healthy microbiome and immune system.\* The prebiotic blend contains Fructooligosaccharide from chicory root and Jerusalem artichoke, Isomaltooligosaccharide, and Xylooligosaccharide.

When used with DigestZen®, dōTERRA TerraZyme™, dōTERRA PB Restore™, and PB Assist+®, dōTERRA Fiber is a powerful addition to a healthy digestive and immune health regimen.\* Add dōTERRA Fiber to water for a delicious lemon-apple flavored drink as a no-excuses approach to meeting health and wellness goals.\*

## Directions

Mix 1 scoop of dōTERRA Fiber with ten ounces of water. Drink immediately.

**Supplement Facts are on next page.**

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

## Cautions

Keep out of reach of children. Pregnant or nursing women and people with known medical conditions should consult a physician before using. Keep in a cool, dry place.
