PRODUCT DESCRIPTION

Hikari, the Japanese word for “light,” is a new dōTERRA, custom-designed, nature-inspired, ultrasonic diffuser. This modern, Asian-influenced diffuser transforms any room into a relaxing Zen environment and is a stylish way to make your home more comfortable and inviting. The Hikari features three optional light settings: light-free, dim warm, and bright warm. This beautiful, whisper-quiet diffuser has a customizable output with multiple time settings—two and six hours continuous run, or 12 hours intermittent run—allowing the ability to customize the release of CPTG® essential oils into the air.

This diffuser comes with dōTERRA Holiday Peace, a delightful blend of three firs—Siberian, Douglas, and Himalayan—complemented by Grapefruit, Frankincense, and Vetiver. Diffuse Holiday Peace in the Hikari Diffuser during family gatherings and holiday prep to keep the atmosphere calm and merry.

*See diffuser manual for cautions and instructions.
