

Myst

Wall Plug Diffuser with Hygge® Cozy Blend 15 mL

dōTERRA®

Product Information Page

Description

The Myst is a motion-activated, atomizing diffuser that plugs into the wall. This small, flexible, and effective diffuser transforms your atmosphere effortlessly using waterless and heatless technology. The diffuser creates a fine mist that fills the air. Myst never needs recharging or battery replacement. It's customizable too, with three settings—motion-sensing, timed-interval, and manual. In addition, the diffuser has a dark mode, where no indicator lights appear. No need to clean or refill every day, just twist on a bottle of your favorite dōTERRA CPTG® oil or blend, plug it into a vertical outlet, and let Myst do all the work.

Important: See the Myst 2.0 Manual for instructions and cautions.

The diffuser comes with a 15 mL bottle of Hygge Cozy Blend, a warm, woody, citrusy combination of CPTG® essential oils that creates a relaxed, comforting space when diffused making any room welcoming with an inviting ambiance.

Hygge Cozy Blend Caution: Possible skin sensitivity. Keep out of reach of children. If pregnant or under a doctor's care, consult your physician. Avoid contact with the eyes, inner ears, face, and sensitive areas. Avoid sunlight and UV rays for at least 12 hours after applying the product.

See the Hygge PIP for additional information.
