Intensive Eye Cream

dōTERRA®

Product Information Page

IKISE™ | Intensive Eye Cream | Step E

Net wt 70 oz / 20 g

60233882

Primary Benefits

- + Includes CPTG® Rose essential oil, which helps balance moisture levels in the skin and promote an even skin tone and healthy-looking complexion
- + Helps condition the skin, supporting its overall healthy-looking appearance, with humic shale
- + Helps protect skin from environmental stressors with zinc and copper gluconate, while also improving the appearance of fine lines, wrinkles, and skin texture
- + Contains hydrating ingredients—including glycerin, squalane, shea butter, beeswax, and *Arnica montana* flower extract—to hydrate and improve the appearance of firm skin around the eyes
- + Is ISO 16128 compliant and 93% natural origin index, including water

Description

Brighten your eyes with this nourishing cream designed to care for the delicate skin around the eyes—an area that benefits from extra attention and hydration to help maintain a smooth, radiant appearance. IKISE Intensive Eye Cream absorbs quickly and delivers rich hydration, helping soften dryness and supporting a firmer, more defined look. By helping maintain the skin's moisture barrier, it helps protect against everyday environmental stressors, leaving the eye area looking smooth, resilient, and refreshed. Delicate, luxurious Rose essential oil provides a sweet, floral aroma, while also helping balance moisture levels in the skin and promoting an even skin tone and healthy-looking complexion.

Directions

Apply a small amount to the under eye area, careful not to get in your eyes. Use in the morning and evening as the last step in your skincare routine.

Cautions

For external use only. Avoid contact with the eyes. Discontinue use if skin irritation occurs. Keep out of reach of children.

Ingredients

Water, Propanediol, Isononyl Isononanoate, Glycerin, Squalane, Behenyl Alcohol, Maltitol, Beeswax, *Butyrospermum parkii* (Shea) Butter, Pentylene Glycol, Tocopherol, Polyglyceryl-10 Myristate, Hydrogenated Lecithin, Arachidyl Alcohol, Carbomer, Arachidyl Glucoside, 1,2- Hexanediol, *Rosa damascena* (Rose) Flower Oil, Sodium Hydroxide, Shale Extract, Xanthan Gum, Ethylhexylglycerin, Magnesium Aspartate, Zinc Gluconate, Trisodium Ethylenediamine Disuccinate, Copper Gluconate, Ascorbyl Glucoside, Butylene Glycol, Ascorbic Acid, *Arnica montana* Flower Extract
