## Description

Like the breathtaking beauty and vibrant culture of the islands of Hawaii, the Mālama™ Nurturing Blend captures the magic and energy of the land and its people. Blissfully fresh and warm, Mālama is a sparkling combination of bright citrus, enchanting floral, and centering wood aromas. The inviting aroma of Mālama is available in a 15 mL, the dōTERRA Mālama Moisturizing Bath Bar, and the dōTERRA Mālama Restorative Hand Cream. The products are sold individually and in the dōTERRA Mālama Collection.

Appreciate these products as you are reminded to mālama—nurture and take care of—yourself, your community, and your environment.

Naio Wood and 'Iliahi (Hawaiian Sandalwood) in the Mālama blend are sourced in the Kealakekua Mountain Reserve, a dōTERRA Cō-Impact Sourcing® partner and home to the largest reforestation effort in Hawaii's history.
