PV: 70

Primary Benefits

- + May help sustain vigorous metabolic activity to promote youthful function of cells and organ systems†
- + Contains nine types of collagen tripeptides which clinical research has shown to boost skin appearance by promoting skin density, increasing firmness, decreasing wrinkles, and improving hydration†
- + Includes vitamin C which promotes collagen biosynthesis†
- + Contains ingredients that promote a healthy circulatory system, nervous system, and mitochondria†
- + Supports the functioning of healthy bones†
- + Formula includes NADH and additional ingredients that help maintain healthy mental/physical function and performance†
- + Contains NMN and resveratrol which preclinical research has shown to increase amounts of NAD+ and NADH in the body†

Description

As you age, so does your metabolic function. Your metabolism influences your energy, weight, body composition and even your cognitive performance. MetaPWR Advantage was developed by dōTERRA researchers to help maintain healthy cell and organ function, to keep you mentally energized, and help promote healthy weight and body composition.† Combined with healthy lifestyle choices, taking MetaPWR Advantage once a day can help fortify your metabolic health.† MetaPWR Advantage contains NMN and resveratrol and although more confirming clinical research is needed, preclinical studies suggest metabolic health is bolstered by increasing NADH and NAD+ production in the body and activating the SIRT longevity genes. Advantage also contains nine types of collagen tripeptides from marine sources, which may improve skin elasticity, density and firmness, support lean muscle and connective tissue.†

MetaPWR Advantage Dietary Supplement—part of the MetaPWR Metabolic System—is created to support healthy lifestyle regimens focused on increased energy and vitality, metabolic health, and weight management to add health to your lifespan.†

+ No GMO	+ No Soy	+ No Preservatives
+ No Dairy	+ No Gluten	+ No Artificial Sweeteners or Flavors

Directions

Suggested Use: Take one sachet per day. Add contents of sachet to five to eight ounces of cold or room temperature water. Stir or shake before drinking.

Cautions

Consult your physician before use if you are pregnant or nursing, have a medical condition, or take any medication. Keep out of reach of children.

Note: This product should only be used as a food supplement. Do not use for weight reduction.
