## MetaPWR<sup>®</sup> | Metabolic Assist

Dietary Supplement

Serving Size: 1 capsule

30 Capsules

**60213525**

120 Capsules

**60225414**

## Primary Benefits

- + May help release glucose more slowly and steadily which can lead to lower postprandial (after meal) blood glucose levels\*
- + May reduce the absorption of simple carbohydrates and sugar\*
- + May support a healthy metabolic profile\*
- + May contribute to healthy fat metabolism\*
- + Provides three times the active component
- + 1-deoxyojirimycin (DNJ), typically found in mulberry leaf extract supplements
- + Patent pending formula

## Description

MetaPWR Assist can be a powerful addition to a daily metabolic health regimen when taken daily before the largest meal of the day\* Each capsule contains standardized mulberry leaf extract, berberine, cinnamon bark powder, and the proprietary MetaPWR<sup>®</sup> Metabolic Blend. Developed with dōTERRA clinical researchers, this blend uses a superior process to maximize the active component in mulberry leaf extract, 1-deoxyojirimycin (DNJ). Because it contains DNJ, mulberry leaf extract helps regulate and stabilize postprandial (after meal) blood glucose levels, reduce the absorption of carbohydrates and sugar, and contribute to healthy fat metabolism.\*

MetaPWR Metabolic Assist Dietary Supplement—part of the MetaPWR Metabolic System—is created to support healthy lifestyle regimens focused on increased energy and vitality, metabolic health, and weight management to add health to your lifespan.\*

+ No GMO	+ No Soy	+ No Preservatives
+ No Dairy	+ No Gluten	+ No Artificial Sweeteners or Flavors

## Directions

Take 1 capsule 15–30 minutes before a meal up to 3 times a day.

## Cautions

Keep out of reach of children. If pregnant, nursing, diabetic, or under a doctor's care, consult your physician. Store in a cool, dry place.
