Description

MetaPWR Metabolic Blend Softgels contain the MetaPWR™ Metabolic Blend in easy-to-swallow, tapioca softgel. Developed by dōTERRA clinical researchers, the blend is a proprietary balanced ratio of CPTG® Grapefruit, Lemon, Peppermint, Ginger, and Cinnamon Bark essential oils and can serve as an important part of a daily healthy metabolic regimen when used internally.[†] An unpublished, preclinical study suggests this blend may target and reduce adipose fat cells while also protecting cells and tissues against oxidative stress, but more confirming clinical research is needed regarding these conclusions.[†]

MetaPWR Metabolic Blend Softgels—part of the MetaPWR Metabolic System—are created to support healthy lifestyle regimens focused on increased energy and vitality, metabolic health, and weight management to add health to your lifespan.[†]
