PRODUCT DESCRIPTION

There's nothing like a long walk in the woods among majestic trees under a canopy of stars. When you immerse your senses in nature and breathe in fresh, clean air, you reconnect with the environment and bathe in forest bliss. Forest Bathing, or *shinrin yoku*, is the Japanese practice of finding calm, peace, and a sense of wellbeing by walking through a forest. With an inspiring, uplifting aroma, Midnight Forest Body Wash brings the outside into your shower. This rich cleansing gel is infused with the dōTERRA Midnight Forest essential oil blend with CPTG® essential oils including Siberian Fir, Cypress, Juniper Berry, Black Spruce, Wild Orange, and Frankincense. Natural surfactants derived from coconut oil and essential fatty acids provide gentle yet thorough cleansing without irritating the skin. Midnight Forest Body Wash provides a foaming action that glides across skin to leave it feeling clean and rejuvenated, and you feeling renewed and refreshed.
