Primary Benefits

- + Gives the skin a soft and smooth appearance
- + Soothes the skin
- + Reduces the appearance of blemishes
- + Provides a soothing and uplifting aroma

Description

Intensely hydrating and nourishing, Moringa Rose Nourishing Oil gently melts into skin and helps create a soft, dewy, luminous complexion. All skin-types benefit from this powerful moisturizing blend with the relaxing aroma of roses. Oil from the seeds of the moringa tree, rich in oleic and other fatty acids, is combined with comforting and balancing CPTG® Rose essential oil to reduce the appearance of skin imperfections and promote a healthy-looking and even skin tone. Lightweight and easily absorbed, Moringa Rose Oil can be used in the morning before applying moisturizer and sunscreen. It can also be used as final step in your nighttime routine. Couple with Rose Hydrosol Mist to create a fresh, radiant look.

Moringa Rose Nourishing Oil is made with a clean and simple formula from African Moringa oil and Bulgarian Rose essential oil. Through sustainable sourcing efforts in Kenya, Uganda, and Tanzania, dōTERRA supports small scale farmers and continues a commitment to both quality and community in both Africa and Bulgaria.

Uses

- + Smooth onto the face in the morning and evening to nourish skin.
- + Use as a moisturizer before applying sunscreen.
- + Combine with Rose Hydrosol Mist for additional hydrating benefits.

Directions

Topical use: After cleansing skin, apply two or three drops to fingertips. Gently press fingertips to cheeks, forehead, and chin to evenly distribute before massaging into skin. Can be worn alone or under a moisturizer.

Cautions

For external use only. Keep out of reach of children. Avoid direct contact with eyes and sensitive areas. If skin irritation or redness occurs, discontinue use. Store in a cool, dry place.
