- + Has a plant-derived 70% ethyl alcohol base
- + Provides a non-sticky, moisturizing formula with apple extract and glycerin and the signature aroma of dōTERRA On Guard Protective Blend
- + Travels with you wherever you go

Formulated without parabens, triclosan, and phthalates

[†]*Escherichia coli, Staphylococcus aureus, Salmonella typhimurium, Pseudomonas aeruginosa, Burkholderia cepacia, Enterobacter cloacae, Enterococcus faecalis, Streptococcus pyogenes, Candida albicans, and Aspergillus brasiliensis.*

Product Description

Clean your hands easily and effectively wherever you are with dōTERRA On Guard Hand Sanitizing Gel. Perfect for your purse, pocket, or backpack, this plant-derived 70% ethyl alcohol-based sanitizer is 99.9% effective against most common germs[†], and is safe for the whole family. Formulated without parabens, triclosan, and phthalates, this formula contains apple extract and glycerin, making it less drying than some other sanitizers. Infused with dōTERRA On Guard® Protective Blend, the gel evaporates quickly, leaving the hands with a warm, energizing aroma and no sticky residue.

[†]*Escherichia coli, Staphylococcus aureus, Salmonella typhimurium, Pseudomonas aeruginosa, Burkholderia cepacia, Enterobacter cloacae, Enterococcus faecalis, Streptococcus*

Directions

Apply the product to the palm of one hand and rub all over your hands until dry.
