Description

PastTense Stick + Sweet Gum is a mess-free, easy-to-use stick that can be conveniently applied throughout the day. It combines the classic PastTense® essential oil blend—Wintergreen, Lavender, Peppermint, Frankincense, Cilantro, Roman Chamomile, Marjoram, Basil, and Rosemary—with Sweet Gum essential oil, which is naturally high in beta-caryophyllene, a compound known for its calming aroma. The stick is ideal for use on areas where tension tends to build, such as the forehead, temples, and back of the neck.

Directions

Apply topically to the forehead, temples, and back of the neck.
