RevitaZen™ | Detoxification Blend 15 mL

60231405

Primary Benefits

- + Supports healthy liver function, according to preclinical research, and delivers antioxidant protection with Tangerine, Rosemary, Geranium, and Ginger essential oils*
- + Aids healthy digestion and colon function, according to preclinical research, with Ginger essential oil*
- + Supports kidney health and the elimination of excess water through natural diuresis, based on traditional use of Juniper Berry*
- + Aids detoxification with Cilantro essential oil antioxidants, which are crucial for counteracting free radical damage inherent in the detox process*

Description

Daily toxin exposure is inevitable and can gradually burden your natural detoxification systems—especially the liver, kidneys, and digestive tract. Even with a clean lifestyle, environmental pollutants and internal stressors can disrupt the body's ability to maintain balance.

RevitaZen Detoxification Blend is optimized with key essential oils that, based on preclinical research, provide daily support for healthy organ function and promote the body's natural detoxification process when used internally.* Unlike harsh detox products that focus on quick fixes, RevitaZen works in harmony with the body to encourage long-term wellness.*

Uses

- + Add 1–2 drops to citrus drinks, teas, or water.
- + Place 3–4 drops in the diffuser of your choice for a refreshing, citrusy aroma.
- + Apply 1–2 drops with 1–2 tablespoons of Castor Oil to a castor oil pack. Apply diluted directly to the skin or the pack.

Directions

Aromatic use: Place 3–4 drops in the diffuser of your choice.

Internal use: Dilute 1 drop in 4 fluid ounces of liquid or add to a Veggie Cap.

Topical use: Dilute 1 drop essential oil to 10 drops carrier oil.

Cautions

Possible skin sensitivity. Keep out of reach of children. If you're pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, face, and sensitive areas. Avoid sunlight and UV rays for at least 12 hours after applying the product.
