Primary Benefits

- + Combines Fractionated Coconut Oil, Peppermint, Japanese Mint, Bergamot Mint, and Spearmint essential oils in a synergistic blend, delivering a revitalizing, minty, herbal, and sweet aroma
- + Creates an atmosphere that may support mental clarity and enhanced stamina
- + Provides a cooling sensation, which may contribute to feelings of open airways

Description

Crisp, clean, and compelling, dōTERRA SuperMint Touch combines Fractionated Coconut Oil with CPTG® Peppermint, Japanese Mint, Bergamot Mint, and Spearmint essential oils to create a powerfully refreshing blend. When used topically, dōTERRA SuperMint Touch cools the skin and provides an invigorating, energizing aroma. Menthol—the primary constituent of dōTERRA SuperMint Touch—promotes a cooling sensation when inhaled, which may contribute to feelings of open airways. dōTERRA SuperMint Touch promotes an atmosphere conducive to mental focus and enhanced stamina.

Uses

- + Roll on your pulse points for an invigorating, energizing aroma.
- + Apply to the neck and wrists for a refresher throughout the day.
- + Roll on your hands, cup them over your face, and inhale for a midday pick-me-up.

Directions

Topical use: Roll on the desired area. See additional precautions below.
