Description

Celebrate the power of connection with Together Touch—a comforting, uplifting essential oil blend that gives back, helping transform communities around the world.

Together's refreshing, bright aroma comes from the harmony of Yuzu and Magnolia essential oils. Yuzu, a cross between tangy grapefruit and sweet mandarin, provides an energizing aroma that brings inspiration to everyday tasks and challenges. The linalool found in Magnolia essential oil contributes a calm and tranquil aroma. Together Touch benefits the skin and helps create a relaxing atmosphere, especially during times of worry and tension. Together represents the dōTERRA mission of empowerment and change.

With each purchase of dōTERRA Together blend, \$20 goes to support the dōTERRA Healing Hands Foundation as we ignite change through education, health, and crisis relief. Together, we're transforming communities.
