## Primary Benefits

- + Soothes and moisturizes the delicate eye area to help firm and smooth under-eye skin
- + Improves texture for soft, supple, radiant-looking skin
- + Promotes healthy skin and skin elasticity to reduce the look of fine lines around the eyes

## Description

The Yarrow | Pom Revitalizing Eye Mask moisturizes and soothes under-eye contours to help firm and smooth delicate under-eye skin, while also helping reduce the appearance of fine lines for a well-rested and revitalized appearance.

This mask is rich with ingredients known to support, nurture, and nourish eye-area skin. It's packed with powerful bioactive compounds and skin-protecting proteins.

The Yarrow | Pom Revitalizing Eye Mask includes these key skin-loving components:

- + Yarrow essential oil contains important chemical constituents like  $\beta$ -Caryophyllene,  $\beta$ -Pinene, chamazulene, and sabinene to support the skin.
- + Pomegranate seed oil delivers a high level of punicic acid, along with antioxidants like vitamins A and C.. The oil also has a high concentration of omega fatty acids to promote moisture retention in the skin.
- + Argireline® Amplified Peptide Solution†, a unique hexapeptide, supports healthy keratinocyte (the primary cells in the top layer of the skin) function, which aids the skin barrier, according to preclinical research.
- + Caffeine can help reduce the appearance of dark circles and puffiness under the eyes, leading to a more refreshed look, based on preclinical evidence.
- + Rose flower extract promotes healthy-looking skin, helps increase skin elasticity, and reduces the appearance of fine lines around the eyes based on preclinical research.

The **Yarrow | Pom Revitalizing Eye Mask** is made with 100% biodegradable biocellulose material and has a holding capacity three times higher than other nonwoven mask materials. This material allows nutrients to be absorbed into the skin. It's free from synthetic fragrances and parabens.

## Uses

- + Apply on clean, dry skin to the under-eye area and relax for 15-20 minutes.
- + Use twice a week to maintain a well-rested appearance.

†Argireline is a registered trademark of Lipotec S.A.U.

## Directions

Use after cleansing and toning. Remove one of the protective layers and apply to the under-eye area, gently smoothing to ensure full contact with the skin. Remove the remaining protective layer. Relax for 15–20 minutes before removing.

## Cautions

Store in a cool, dry place and avoid direct sunlight.
