

QUALIFICATIONS

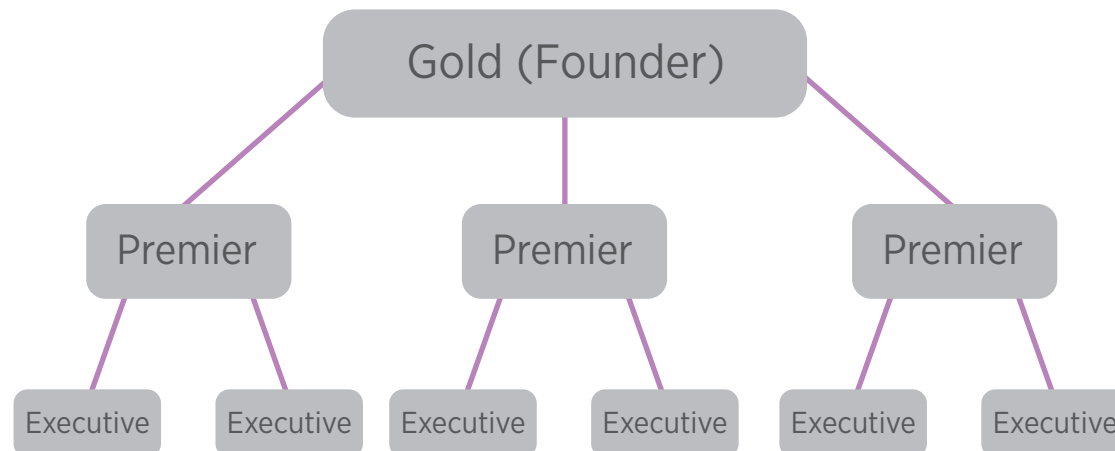

Qualification Rules:

The Founder must reach the rank of Gold. The Founder can live in any country and speak any language.

90% of the volume that creates the Gold rank must be from the North America Latino market and be generated from accounts enrolled after August 1, 2018. This volume can be under existing structures.

*The qualifying Premiers and Executives must be part of the North America Latino Market.

*The Founder must meet these requirements for 3 consecutive months for the initial qualification.
