

**IF YOUR DREAMS DON'T SCARE YOU - THEY'RE NOT BIG ENOUGH!**

In 2019 our family was in a real desperate place, we needed an outcome, a solution and dōTERRA was that ANSWERED PRAYER. We joined dōTERRA in Nov 2019, just after they opened their offices in South Africa, we had zero knowledge of essential oils, but we had peace in our hearts knowing this is where we belong. We knew that we had to be a part of dōTERRA. Kyle & Kierston our uplines had shared their story, and it gave us HOPE AND A VISION of what was POSSIBLE not just for our family but for THOUSANDS OF OTHERS. We have always loved working with people and making a difference in their lives. dōTERRA fitted right into that. We have fallen in love with our amazing essential oils, and they form part of our every day. We have seen the incredible results of sharing the oils with those around us, as well as sharing on the business opportunity dōTERRA offers for those like us seeking a solution.

We are blessed to be surrounded with so many like-minded women and men and together we have achieved so much already. I still stand in awe of what God is doing in us and through us with dōTERRA. We are excited for the future ahead knowing that together we get to share dōTERRA products and the Opportunity with thousands more. We are so grateful that dōTERRA decided to come to Africa so that we to can be a part of this amazing company. Thank you dōTERRA.
